The market has been cooling over time and prices plateaued for a while. Despite the consistent decrease in MAI, we're in the Seller's zone. Watch for changes in MAI. If the MAI resumes its climb, prices will likely follow suit. If the MAI drops consistently or falls into the Buyer's zone, watch for downward pressure on prices.

School Goals

We will strive for the students, families, and staff of Wright Elementary to be seen, known, and valued every day. We provide an academic focus to ensure students are prepared for success in all content areas while aiming to improve instruction and implement data-driven systems.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

We strive to ensure all students and their families feel welcome by including bilingual staff in our school office. Various forms of communication were used to inform families about school news that are easily translated into other languages. Students are greeted at the door each day by staff who welcome them into the building. Parents and families are invited and encouraged to attend school events such as parent-teacher conferences. We use an equity lens when making decisions.
