About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Sublimity uses the Positive Behavioral Intervention program to support students in learning our behavior expectations. PBIS increases academic performance, decreases problem behavior, and establishes a positive school culture. Services are available to students with disruptive behaviors. Assistance includes, but is not limited to, individual or small group support with a behavior specialist to help the student succeed daily. All reports of bullying/ harassment are investigated thoroughly. In addition to staff reporting, our school subscribes to SafeOregon, a statewide tip line for students to anonymously and confidentially report information concerning threats to student safety.

EXTRACURRICULAR ACTIVITIES

Sublimity School performs drama productions as well as music concerts in the winter and spring. We also offer choir to our fourth through eighth grade students. We have a very active ASB Student Government group that demonstrates leadership skills. Students are shuttled to the Stayton Middle School for the following sports:

- **Fall:** Cross Country, Football, Volleyball, and Soccer
- **Winter:** Basketball, Dance, and Wrestling
- **Spring:** Track

Santiam Youth Sports offers other sports activities for students grades K-5.

PARENT ENGAGEMENT

At Sublimity, we believe parent/family engagement in schools improves student achievement, reduces absenteeism, and creates collaboration in their children's education. We love to work together to support and improve the learning and development of our kids. Parents are encouraged to participate in their children's education by attending events such as Open House, parent/teacher conferences, music programs, parent education nights, sporting events, joining our Parent Teacher Club, and volunteering at school. Parents are the first and most important educators in their children's lives, and we value their input and involvement.

COMMUNITY ENGAGEMENT

Sublimity School is committed to actively partnering with the community, creating shared responsibility for student success. Community engagement is a tool that promotes and strengthens young people's full development. We partner with local businesses/organizations to support our students with such activities as Adopt a Grandparent Program in conjunction with the Marion Estates Retirement Center, Toys for Tots Holiday Toy Drive with the local fire department, Grandparent's Day Lunch, Community and School Food Drive with the local Food Bank. We invite the entire community to all school activities.
